COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, JUNE 15, 2001

APPLICATION OF

NETWORK PLUS VIRGINIA, INC.

CASE NO. PUC010034

For certificates of public  
convenience and necessity to  
provide local exchange and  
interexchange telecommunications  
services

FINAL ORDER

On March 19, 2001, Network Plus Virginia, Inc. ("Network Plus" or the "Company"), completed an application for certificates of public convenience and necessity with the State Corporation Commission ("Commission") to provide local exchange and interexchange telecommunications services throughout the Commonwealth of Virginia. The Company also requested authority to price its interexchange telecommunications services on a competitive basis pursuant to § 56-481.1 of the Code of Virginia.

By Order dated April 4, 2001, the Commission directed the Company to provide notice to the public of its application, directed the Commission Staff to conduct an investigation and file a Staff Report, and scheduled a public hearing to receive evidence relevant to Network Plus' application. On May 4, 2001,

Network Plus filed proof of publication and proof of service as required by the April 4, 2001, Order.

On May 15, 2001, the Staff filed its Report finding that Network Plus' application was in compliance with the Rules Governing the Offering of Competitive Local Exchange Telephone Service ("Local Rules") and the Rules Governing the Certification of Interexchange Carriers ("IXC Rules"). Based upon its review of Network Plus' application, the Staff determined it would be appropriate to grant the Company certificates to provide local exchange and interexchange telecommunications services subject to the condition that should the Company collect customer deposits, Network Plus shall establish and maintain an escrow account held by an unaffiliated third party in a Virginia bank, notify the Division of Economics and Finance of the escrow arrangement, and maintain the account until such time as the Staff or Commission determines it is no longer necessary.

A hearing was conducted on May 22, 2001. At the hearing, the application and accompanying attachments and the Staff Report were entered into the record without objection. No public witnesses appeared.

NOW THE COMMISSION, having considered the application and the Staff Report, finds that the Company should be granted certificates to provide local exchange and interexchange

telecommunications services. Having considered § 56-481.1, the Commission further finds that the Company may price its interexchange telecommunications services competitively.

Accordingly, IT IS THEREFORE ORDERED THAT:

(1) Network Plus Virginia, Inc., is hereby granted a certificate of public convenience and necessity, No. TT-154A, to provide interexchange telecommunications services subject to the restrictions set forth in the Commission's Rules Governing the Certification of Interexchange Carriers, § 56-265.4:4 of the Code of Virginia, and the provisions of this Order.

(2) Network Plus Virginia, Inc., is hereby granted a certificate of public convenience and necessity, No. T-560, to provide local exchange telecommunications services subject to the restrictions set forth in the Rules Governing the Offering of Competitive Local Exchange Telephone Service, § 56-265.4:4 of the Code of Virginia, and the provisions of this Order.

(3) Pursuant to § 56-481.1 of the Code of Virginia, the Company may price its interexchange telecommunications services competitively.

(4) The Company shall provide tariffs to the Division of Communications that conform to all applicable Commission rules and regulations.

(5) Should the Company collect customer deposits, Network Plus shall establish and maintain an escrow account for such

funds, held by an unaffiliated third party in a Virginia bank, and shall notify the Division of Economics and Finance of the escrow arrangement and any subsequent change. Any escrow arrangement established pursuant to this requirement shall be maintained until such time as the Staff or Commission determines it is no longer necessary.

(6) There being nothing further to come before the Commission, this case shall be dismissed and the papers filed herein placed in the file for ended causes.
